At last the news we have been waiting for!

Our opening date is.... **Monday 6th July from 12 noon**

At the moment our opening hours will be from **12 noon until 10.30pm Monday to Sunday**. As we move forward and things improve, we may amend these times accordingly.

We are currently getting the pub ready inside and outside to be COVID 19 safe. There is a 43-page guideline document from the Government which we have gone through and there are measures we have put in place to keep both staff and customers safe.

So, a few guidelines we unfortunately have to ask you the customer to adhere to:

We ask you to book a table before coming to us (Max 6 people) this is to, one, avoid disappointment and two, because we need to keep an eye on the numbers inside. We will not be taking bookings for the garden; however, you can sit outside if there is a free table.... BUT please be aware if the weather changes, we may not be able to accommodate you inside due to the limitations placed on us.

There will be a guest signing in book, we ask that you put your name and a contact number... this will be used for the COVID 19 NHS track and trace if needed. This information will be deleted after 21 days for GDPR regulations.

There will be table service indoors, unfortunately there is no bar service, and drinkers will also not be allowed to sit or stand at the bar. If you do choose to sit outside, we will have a queue and order system in place.

There will be ONE Entrance via the patio doors, and ONE Exit via the front door. We ask you to make sure you follow the directional signs and one-way system. There will be signs, posters and floor markings to guide you around the pub and to make sure social distance is kept where possible.

There will be sanitiser stations available, which you can use at your discretion.

There is a strict rule that only 2 people are allowed in the toilets at any one time ... the toilets will be monitored, cleaned and sanitised on a regular basis by staff.

We ask that where possible you pay contactless, but we shall also be accepting cash.

Due to the current situation, we have introduced a limited menu so please be aware there may be a shortage on some items during busy periods. Our menus will also be disposed of after use.

Our staff have been trained to keep the premises, themselves and most importantly **you** the customers COVID 19 safe. We have put in the measures we believe will give you the assurance that your visit will be enjoyable whilst having a safe environment.

We look forward to welcoming you all back, even though there are some restrictions in place. For those of you who will not be able to visit at this time, keep well and hope to see you soon.

Keith, Sue and the Fox and Goose Team
